

School Clinic Packages – Volleyball

Volleyball Tasmania can provide everything volleyball-related, including:

- Preparation for Events and Competitions
- Introductions to Volleyball
- Team development
- Advanced skills and technique development

Pricing and packages include:

Please note:

1. Coaching clinic/program dates will be determined subject to the availability of coaching staff.
2. Significant travel expenses, depending on location/ease of access, will be added to the cost of each session
3. All confirmed clinic/program bookings will be confirmed via email by a representative from Volleyball Tasmania.
4. At least 1 teacher/supervisor per 25 participants/1 class must be present at all times throughout the clinic. This teacher is responsible for enforcing any necessary disciplinary action and should be available to assist the coach in coordinating and running drills and games.
5. A school volleyball visit application form must be completed and emailed to schoolprograms@volleyballtasmania.com.au
6. The coach can supply volleyballs for the clinic/s. Addition equipment can be provided upon request.
7. Primary schools may negotiate to have 2 sessions run within the advertised one session time slot as typically they are shorter class times to that of Secondary schools.
